

Date: October 4, 2010

Time: 7:00PM

Training begins at 7:00PM on Monday October 4, 2010 at the Warren Township Rescue Squad Building.

This 8 week course will be held each Monday night.

Upon completion of the course, individuals will become full members of the Warren CERT team and will be utilized for disaster situations within Warren or surrounding areas.

Join the Warren Twp Community Emergency Response Team

Individuals will be trained in basic disaster response skills including first aid, light search and rescue, fire safety, and emergency preparedness. These skills will be utilized if deployed for a disaster situation or in everyday life.
