Fall/Winter 2009/10

Issue 0909

## Chairperson's Report

Another memorable summer has come to an end. There were many recreational opportunities provided to the residents of Warren by the Recreation Commission. The Free Outdoor Summer Concert, Movie Series along with "Music Under the Stars" entertained many of our residents on Thursday evenings in June, July and August. The Summer Playground Program was filled to capacity with many happy campers that enjoyed the daily activities as well as the special trips. Also sport clinics and other camps for youngsters were offered throughout the summer.

Fall is the perfect time to walk or hike the Glenhurst/Wagner trails or in winter for snowshoes & cross-country skiing. The Recreation Trails Committee and the Department of Public Works work very hard to keep the trails in excellent condition.

The Recreation Commission is looking forward to updating the Municipal Park Complex this fall for both tots and young children with some state of the art play equipment and sandbox.

During the upcoming winter season we are looking forward to our second annual Bonfire event while offering our residents ice skating, smores' and socializing at the Municipal Complex.

**We are collecting email addresses to be used for surveys and email blasts announcing events. Please email us to be placed on the list.**

Regards,  
Adriane Stewart, Chairperson
