## Chairperson's Report

Well another memorable HOT summer has come to an end in which the Recreation Commission, along with our Recreation Director, were busy managing the free Outdoor Summer Concerts, movie series and "Music Under the Stars." The Summer Playground Program was filled to capacity with many happy campers that enjoyed the daily activities as well as special trips for 6<sup>th</sup>-9<sup>th</sup> grades.

The Municipal Park Complex has been the home of many smiles and laughs from tots, young children and parents alike on our new state of the art play equipment. We are busy planning for Phase II and welcome your input.

Fall is the perfect time to hike Warren's many trails and take in the foliage or in winter for snowshoes & cross-country skiing. Please see our website for our trail information and maps.

And speaking of hiking – come join the Warren Walkers every Wednesday starting September 8 at 11 AM in front of the Library. All ages welcome!

As always, we welcome your suggestions.

Karen Manner, Recreation Chair
