## Chairman's Report

Recreation has been working very hard planning this year's activities in which we will be adding new events and camps.

New this year will be additional "Music under the Stars" on Thursday nights, running from June to September.

A concert for kids of all ages featuring "MR RAY" will be back due to the overwhelming requests.

We will be holding our first Family Campout so get your tents and sleeping bags ready for an exciting weekend under the stars held on the library field. Watch for more information on our website.

As always if you are interested in volunteering or want your email on our email blast list – please call the Recreation Department at 908-753-8000 X 270
